french

The French fireplace design has changed extensively through the centuries. Our

well-rounded collection encompasses a range of styles and sizes to suit all tastes.

Château (FF-103)

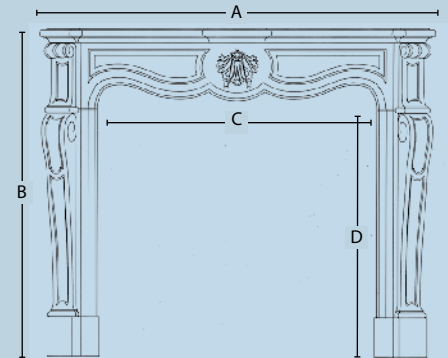

Parisian

(FF-101)

Smooth Rococo curves and a center shell are typical characteristics of the Louis XV period. The Parisian works well in a den, apartment, or any area requiring a small yet elegant surround.

DIMENSIONS

A Outside Width:	57"
B Outside Height:	45" *
C Inside Width:	30 3/4"
D Inside Height:	31"-33"
Depth:	10 1/2"

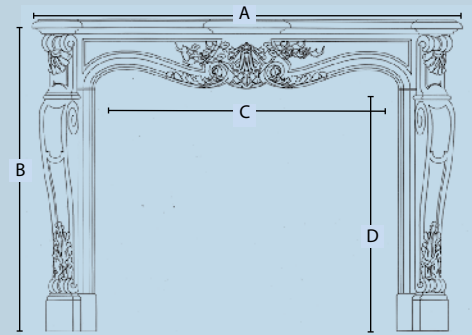

Normandie

(FF-102)

The Normandie is another smaller fireplace surround. If you are looking to add a highly detailed faux fireplace to an existing wall, then the Normandie's size makes it an excellent choice.

DIMENSIONS

A Outside Width:	49"
B Outside Height:	42"
C Inside Width:	30"
D Inside Height:	32"
Depth:	8 1/4"

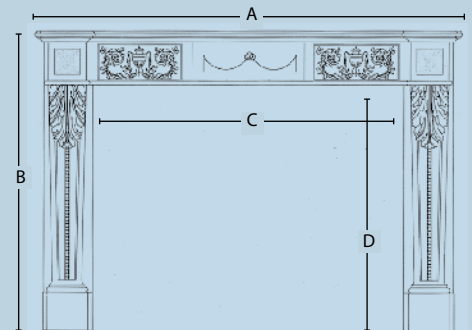

Château

(FF-103)

The Louis XVI-style Château fireplace surround combines acanthus brackets and laurels to create a timeless look with an authentic sense of elegance and delicacy.

DIMENSIONS

A Outside Width:	58"
B Outside Height:	44"
C Inside Width:	38 1/2"
D Inside Height:	33"
Depth:	9"

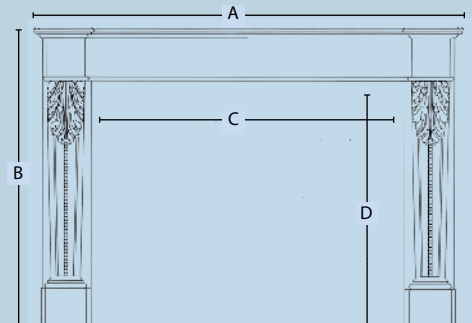

Renaissance

(FF-104)

Designed in Paris exclusively for the Republic collection, the Renaissance rounds out our French designs with its elegant floral frieze and delicate acanthus leaf scroll legs. The dimensions can be adjusted to match your specific firebox opening.

DIMENSIONS

A Outside Width:	66 1/4"
B Outside Height:	48 1/2" *
C Inside Width:	47 5/8"
Inside Height:	35 1/2" - 38 1/2"
Depth:	6 3/4"

bolections

Republic's Bolections range from traditional to modern. All Bolections are custom-made to fit the specific dimensions of your room. If you do not find the Bolection style you are looking for, ask us about a custom design.

Classic (BF-202)

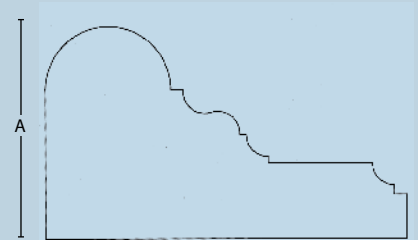

Wave

(BF-201)

The simple Wave design is a perfect addition to the modern living room or den.

DIMENSIONS

Width: Adjustable
Height: Adjustable
A Depth: 4 1/2"

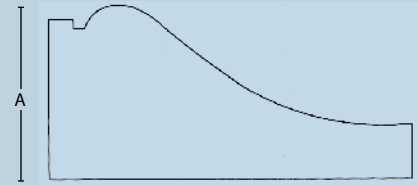

Classic

(BF-202)

The low relief Classic surround is perfect for creating a simple yet distinctive look and can be easily painted to match your home's décor.

DIMENSIONS

Width: Adjustable
Height: Adjustable
A Depth: 4 1/2"

Step

(BF-203)

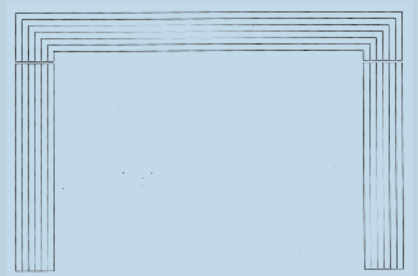

The modern Art Deco Step is cast in three custom-sized pieces, which can create both stone and painted smooth looks. Depending on your tastes, the Step can be made with either a paintable cast stone or our gypsum-based composite.* γ

* Note: The total shipping weight of the lightweight cast stone product is similar to that of the gypsum-based product, so there are virtually no additional shipping charges. Installation is just as simple as our other surrounds.

DIMENSIONS

Width: Adjustable
Height: Adjustable
Depth: 6"

All lengths are adjustable. Maximum outside width: 59 1/2"

regency

The Regency Collection stands out with its highly detailed designs. The measurement of the opening can be customized to fit almost any length. After choosing a style, you may change the rosettes or add a plaque from those shown on the opposite page.

Ribbon-Tied Reeded Regency (RF-302)

Bulls Eye

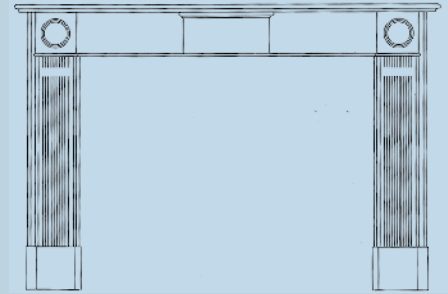

(RF-301)

Simple, yet elegant, the classic linear 'Bulls Eye' design was popular during the Regency period.

DIMENSIONS

(For All Regency Models)

Width: Adjustable
Height: Adjustable
Depth: 8"

Ribbon-Tied

Reeded Regency (RF-302)

The classic reeded frame is shown here without a plaque and floral rosettes.

ARABESQUE FLORAL (RP-31)

Fluted Regency

(RF-303)

The Fluted Regency is shown here with a floral rosette and arabesque plaque.

LIONS (RP-32)

COAT OF ARMS (RP-33)

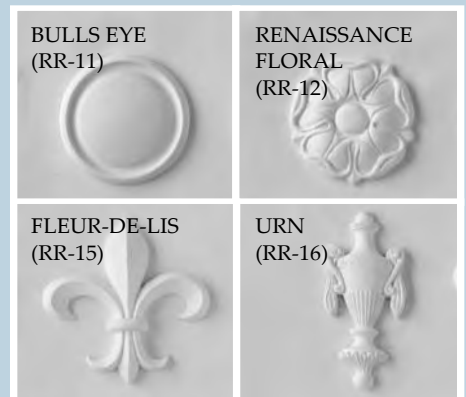

Reeded Regency
